I.G.A. ELECTION RESULTS

The Veteran-Black Student Union coalition was a success! The Vet-BSU coalition supported 12 candidates in the past IGA election and 7 of those 12 candidates were elected. The following individuals were victorious:

OFFICIERS	
President	Rick Montoro (Vet)
Vice President	Vernon Newman (BSU)

REPRESENTATIVES	
Robert Gleason	(Vet)
Renee Kelley	(BSU)
Frank Brooks	(Vet)
Fred Gaskins	(Vet)
Laura Boston	(BSU)

For the first time, at least four veterans will be serving in the IGA assembly. This means that for the upcoming school year veterans will have individuals within the IGA system to combat the many financial and institutional problems that all veterans face.

Special thanks to those individuals who were essential in mailing campaign materials, campaigning for candidates and especially to all veterans who turned out to vote.

INTRAMURAL SOFTBALL

The Vets softball team made its debut on Tuesday, April 8. The game was a hard fought contest involving the 6th Floor Wayne squad. The game unveiled such Vet stars as Roger "Skates" Bovenkerk, a former all star left fielder with the Greencrest Tokens.

The Vets took a quick 1-0 in the top of the first inning. The Vets faired well after one inning of play, score Wayne 5 Vets 1. The second inning proved a holocaust for the Vets squad. After going down in order in the top of the second, the Vets turned on the defense. Reverting to their past jungle training, the Vets began running and dodging baseballs as if they were V.C. mortar rounds. The result was that the Wayne squad scored 16 runs as 8 of the Vets players were later located in the Courtyard Inn. The final score was Vets 10 and Wayne 25. A great game and a hell of a lot of fun.
